

Behavior Rewired™ Train-the-Trainer

Tools that work.
A framework that sticks.
PD that transforms.

Behavior challenges are exhausting.

They're also expensive—costing you instructional time, staff capacity, and team morale. This two-day training helps your staff lead from within, using practical, brain-based tools to reduce disruption, improve consistency, and strengthen Tier 1 systems schoolwide.

Tickets Include:

- ✓ 2 full days of live training with trauma & behavior expert Jessica Sinarski
- ✓ Participant workbook
- ✓ Behavior Rewired™ Trainer Toolbox
 - Ready-to-use slide deck
 - Printable notes and handouts
 - Games, visuals, and video links
 - Flexible agendas + facilitator guides
- ✓ Lifetime license—train & retrain staff
- ✓ Supported prep time for implementation
- ✓ Breakfast and lunch both days
- ✓ Optional Day 1 Q&A + planning session

This Train-the-Trainer is for:

- Principals, APs, & Deans
- SEL & Instructional Coaches
- School Counselors
- Behavior Interventionists
- Special Education Leaders
- PD & Training Leads
- Directors of Student Services
- MTSS & Trauma-Informed Leaders

**So helpful! I always
encourage teachers to
understand the brain—
now I have tools!**

– Liliana I.
K-8 Assistant Principal (NM)

The Return on Investment:

- 1 One Training, Schoolwide Impact:** Participants return with everything they need to train others—slides, visuals, guides, and practice—so your whole team benefits.
- 2 More Regulated, Resilient Staff:** Staff learn to recognize their own stress responses—reducing reactivity and staying more grounded, even under pressure.
- 3 Fewer Classroom Disruptions:** By approaching behavior from a strengths-based framework, staff can respond earlier and more effectively.
- 4 Reinforce Existing Priorities:** Strengthen your MTSS, SEL, & trauma-informed efforts with practical tools that bring it all together.
- 5 No Recurring Fees:** The included lifetime license provides sustainable in-house growth.

Real Impact from BraveBrains Training:

- ✓ Fewer office referrals and lost instruction time
- ✓ +1.2 point increase in staff confidence using brain-based tools (on a 5-point scale after just 3 hours)
- ✓ Improved admin-staff communication
"We've been saying this for years, but something about the way you put it made it click"
- ✓ 99-100% of participants said they would recommend to a colleague (multiple trainings)
"I was skeptical at first, but this stuff really works!"

BraveBrains training provides such a wealth of resources. I'm excited to take this info and share it with my staff."

– Dean of Restorative Practices (DE)
