

## Not just another initiative.

A brain-based approach that helps your team get on the same page.

# Behavior Rewired™ Train-the-Trainer

July 2026 | Philadelphia, PA

Jessica Sinarski, LPCMH  
BraveBrains Founder & Lead Trainer

**Behavior challenges are exhausting.** They're also expensive—costing you instructional time, staff capacity, and team morale.

**Behavior Rewired™** provides a user-friendly framework, flexible training materials, collaborative coaching, and classroom-ready behavior support strategies to help your team *strengthen the system behind your staff.*

## The Return on Investment:

### More Confident Leaders

Participants return with a fresh lens for understanding behavior and real-world practice to support a strong rollout

### Stronger Staff Alignment

Using strengths-based language that honors both student *and staff* experience, even skeptical educators begin to buy-in.

### Fewer Classroom Disruptions

More regulated and resilient staff reduce the power struggles that lead to lost learning time.

### Sustainable In-House Growth

The included lifetime license provides a clear path forward *with no recurring fees.*

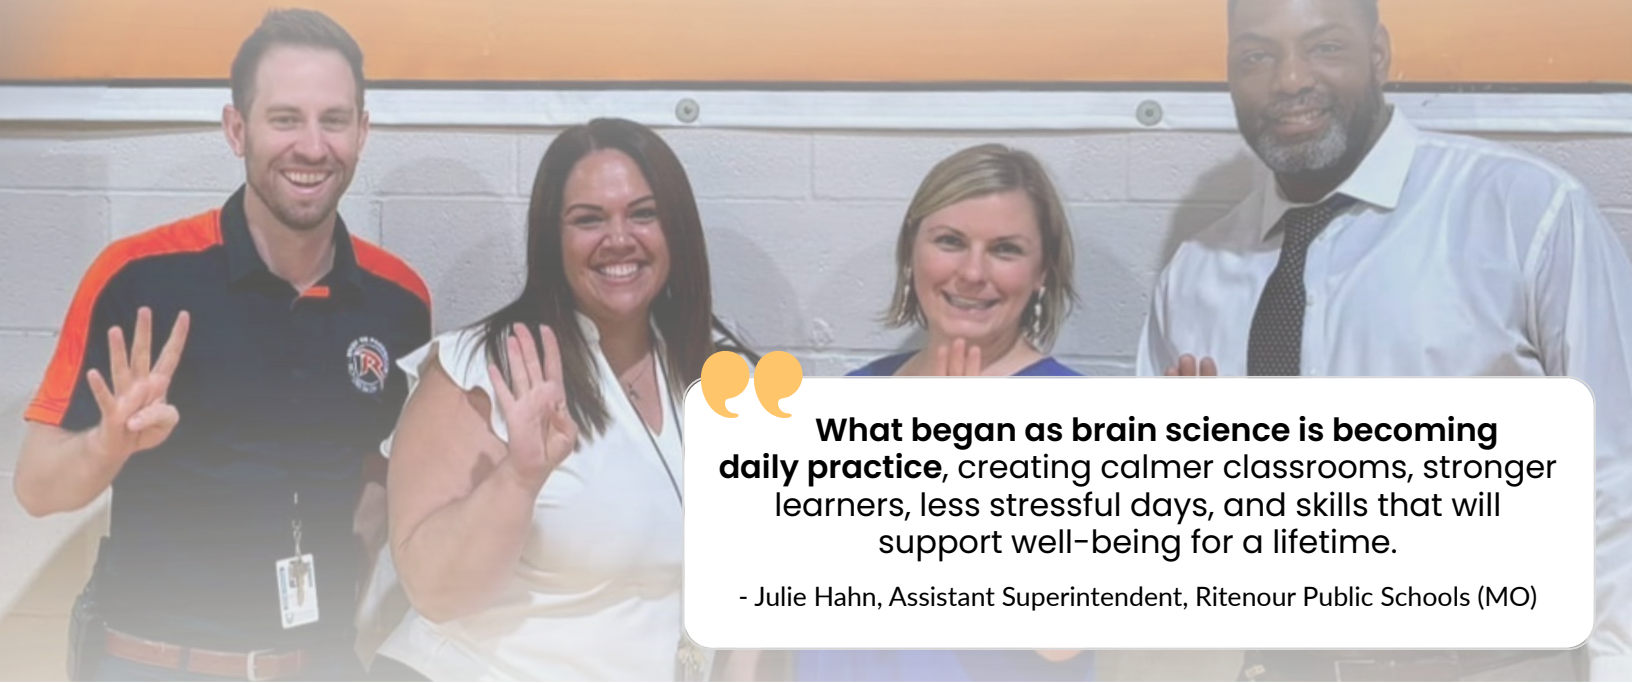

### Discipline numbers have gone down.

Educators have bought in. I've seen such a change!

- Dr Lisa Tran, Assistant Superintendent (MI)

# Real Impact—From Classrooms to the District Office

**What began as brain science is becoming daily practice**, creating calmer classrooms, stronger learners, less stressful days, and skills that will support well-being for a lifetime.

- Julie Hahn, Assistant Superintendent, Ritenour Public Schools (MO)
